## Working In Partnership With Advertisers

### Welcome to the 2019 Mid Devon Show Advertisers pack

The Mid Devon Show is a self funding charity who promotes education in agriculture and promotes awareness of our wonderful surroundings to the local community.

Advertising helps us continue the show for future generations and helps promote your profile to the whole of the South West and beyond.

## Advertising 2019

The 2019 show represents an excellent opportunity to reach up to 15,000 visitors to the Mid Devon Area. The show attracts a wide range of visitors from varying backgrounds. The show is regularly visited by the farming community from all over the South West. However visitors from all of our local villages, towns and cities including Exeter enjoy the show each year. We have also recently discovered that tourists are making the show a stop off on their journey to other parts of Devon and Cornwall.

There are a number of advertising opportunities available ranging from programme adverts to show day banners. However if there is something else you had in mind then please contact us to discuss your ideas. Every company involved with us is also supported within our social media activity throughout the year.

We have many local businesses who are not able to have a presence at the show itself. However they still see the value of connecting with the thousands of visitors to the Devon Area.

Plans for our 2019 Show are now in full swing and we look forward to welcoming everyone back for our 26th event. If you would like to join in with our success then please use the form opposite or contact our office
